There are two new owners on the lake. John talked to one of the families and will get in contact with the other to get them involved in the association and to welcome them to the lake.

John and Geordie will attend the Bay Lake Association meeting to stay informed regarding what they are doing for weed control as well as keeping the TFLA members up-to-date on events in the area. They will also work on developing a relationship with and attending the Farm Island Lake association meeting.

There was a vote put forward to confirm the purchase of Hyfrothol for a treatment this year. Geordie will get pricing and notify the association members via email this week with the cost for individual purchases as well as the association's cost. New Business for 2019

Discuss the results of the attempt at weed control and where to go from here.

New Officer Elections. Phil Barta is retiring as the TFLA Secretary and Cookie Knopik as Treasurer. We need to elect 3 people to fill the offices of Secretary, Treasurer, and Vice President.

Welcome new Members.

NO WAKE BOATING WITH HIGH WATER!

Please remember, the lake is small, and we must all be careful to observe NO WAKE boating when the lake level is high.

Also, caution your guests so they do not break this courtesy to everyone on the lake.

Treasury Report:

Cookie Knopik will give this years treasury report. There were **24** people in attendance at last years Meeting. Thank you very much if you are current on your dues. At the same time we wish those who are not would PLEASE get current. Just send or deliver them to Cookie. Our balance in the bank last year was \$4,653.89. Our balance so far this year is \$5,463.89. We collectively voted for another Milfoil treatment, which will draw down our balance of at least another \$3,000.00. We need active members. If you are already attending our Annual Association Meetings and paying dues great! That said; please encourage your neighbor's to attend. It doesn't take long, you get to meet your neighbors, and \$30.00 a year is a bargain whether you live here year round, just come up now and then to relax, or even vacation here. THANK YOU!
